HISTORY.

1899.

March 7.— Location selected by Apostle John Henry Smith; request being made of him to do so at Priesthood meeting held only a few days previous thereto.

March 30.— Canal surveyed leading to the ground from the Rexburg Mills by J. T. Smellie and Thomas Archibald.

Sep. 2.— Stake Board of Education consisting of Thomas E. Ricks, W. F. Rigby, W. M. Parker, John Donaldson, J. T. Smellie, T. E. Bassett, E. Z. Carbine and Thomas Elliott were sustained as the building committee at the Stake Priesthood meeting. Also

Ward Boards of Education sustained as Ward Building Committees with Thomas E. Bassett as Supt. and general manager. Resolution was also passed to expend \$5000.00 thereon between that date and July 1st, 1900 and Stake Presidency authorized to apportion that amount to be raised among the various wards of the Stake.

Sept. 6.—Work commenced on canal leading to the grounds by men and teams employed by President T. E. Ricks, T. E. Bassett, Ernest Ricks, B. R. Harris, J. Brenner and Henry J. Flamm.

Sept. 7.—Grounds broken by above mentioned men and teams, assisted by men and teams employed by D. A. Sanders.

Sept. 11.—Contract made with C. W. Speirman as architect.

Sept. 25.—Grounds dedicated by Apostle Rudger Clawson, a large concourse of people being present.

December 7.—Apportionment of \$5000 as made by the Stake Presidency was sustained first by the Stake High Council and Educational Board in Joint meeting held at 9 o'clock a. m. and afterwards at the regular monthly priesthood meeting held at 11 o'clock a. m. A large representation of the various wards was in attendance. The Apportionment was based on the statistical report of December 31st, 1899, and the

Tithing paid during that year. Twenty per cent was deducted from all outlying wards and added to Rexburg two wards on account of them being in close proximity to the building and consequently easier for them to work thereon and receive the benefits when completed. The apportionment was as follows:

Burton	\$240	Chapin	\$ 49
Egin	96	Fall River	70
Haden	70	Hiatt	110
Island	173	Lyman	185
Leigh	87	Marysville	189
Ora	74	Parker	607
Pratt	143	Raymond	175
Rexburg 1st	990	Rexburg 2nd	744
Salem	344	South Park	22
Teton	208	Twin Groves	72
		Wilford	352
Total			\$5000.00

1900.

January 22.—First rock hauled on the ground by J. E. Hibbard. Twelve years of age.

January 31.—Grounds deeded to the Church Association of Fremont Stake in two conveyances viz: One from Phineas and Sarah J. Tempest, and Feb-10, 1900, one from Rhodda and Parley P. Parker and recorded Feb. 15, 1900 in Book B. pages 471 and 473 respectively; records of Fremont County by A. M. Carter recorder.

June 12.—Contract let to John Grimm to lay the rock to the water table.

June 21.—S. E. Corner-stone was brought on to the grounds from the quarry about three miles distant measuring $4\frac{1}{2} \times 3\frac{1}{2} \times 1\frac{1}{2}$ feet and weighed 5100 pounds.

June 25.—S. E. Corner stone was laid by President George Q. Cannon. There was also present Presidents Joseph F. Smith, Rudger Clawson, Seymour B. Young, the Stake presidency and a goodly number of people who had come to attend Stake Conference.

Mason work continued during the summer and at present the walls are about six feet from the surface of the ground.
